INTRODUCING

# ZEUS™

POWERFULLY BEAUTIFUL

- *Exceptional strength*
- *Fracture and chip resistant*
- *Conservative preparation and cementation*
- *Precision fabrication with CAD CAM technology*
- *Developed by master ceramist, Lee Culp CDT*

Combining high tech digital technology, new material developments, with the esthetic designs of Lee Culp has led to the development of ZEUS - the first zirconium oxide restoration created to satisfy both you and your patients.
