

OCTOBER 6TH & 7TH, 2006

11 AGD CE Credits Tuition: Doctor-\$995; Team Member-\$150

Dr. Ed Miller

www.edwardmillerdds.com

Have fun and mingle with your peers during lunch and a dinner social event, included in your tuition.

- Discusses ideal Smile Design, preparation technique, and bonding protocol.
- Prepares an 8 – 10 unit Smile Makeover, demonstrating a 15 minute temporization technique (watch chair side or on a 12 foot screen).
- Uses a rapid seating technique to bond a similar case in a 2 hour timeframe.
- Provides you with trouble shooting tips for various possible scenerios.
- Shares his systems for developing rapport with patients and increasing treatment acceptance.

Learn the importance of detailed, clear, laboratory communication from Dennis Vasquez as you:

- Review a Smile Makeover case and how it is fabricated to understand what information is needed by the technicians and why it makes a difference.
- Eliminate your confusion in choosing the best restoration for each case by learning about various products, their indications and contraindications for use.

Learn to harness the power of Baby Boomers in the Cosmetic Revolution from Becky Vasquez including:

- How to adapt your thinking from "disease-centered" dentistry to include "elective, cosmetic, want-based" dentistry in your practice.
- How your image, your team's image, and your facility image all influence case acceptance.
- How having predictable systems of patient care creates awareness and desire for cosmetic treatments.

"I enjoyed watching the preparations and being able to ask questions while Dr. Miller was working. It definitely got me excited to return home and change some things. I especially enjoyed seeing the lab and meeting the technicians and coordinators."

*-Dr. Kendra Novick
Ashburn & Reston, VA*
